August 6, 2007

Dear Middleton Resident:

The Idaho Transportation Department (ITD) and the Community Planning Association of Southwest Idaho (COMPASS) are conducting a study to identify long-term improvements to Idaho 44. The study limits extend from the city of Eagle to I-84 in Caldwell, and include the downtown areas of Star and Middleton.

One component of the study will consider moving the highway from downtown Middleton to an alternate route. We invite you to join us at a workshop to give your input on the need and possible location for an alternate route:

Wednesday, August 22, 2007  
6 p.m. – 8 p.m.  
First United Methodist Church  
104 E. Main St., Middleton

Please plan to arrive a few minutes early to sign in and find a seat. A formal presentation will begin at 6 p.m. to explain the study process and goals. Participants will then be invited to discuss issues, concerns and ideas in small groups.

Please call us at (208) 377-9688 by August 20 to let us know if you plan to attend the workshop. This will help us ensure that we have enough materials for everyone. If you forget to call and still want to attend, please come anyway.

More information regarding the project is available on the ITD Web site at [www.itd.idaho.gov](http://www.itd.idaho.gov). Click on **Get Involved** and choose **Southwest Idaho**. This project is under **Design Projects & Corridor Studies**.

We hope you will provide your input on this important project.

Sincerely,

Sue Sullivan  
Project Manager  
Idaho Transportation Department  
Phone: (208) 334-8955

Don Matson  
Project Manager  
COMPASS  
Phone: (208) 855-2558, ext. 230

# *You're Invited*

## *Idaho 44 Public Workshop*

ITD and COMPASS are beginning field work in the Middleton area to evaluate a potential alternate route for Idaho 44. We invite you to provide input at an evening workshop:

**Wednesday, Aug. 22, 2007 • 6 p.m. – 8 p.m.**

**First United Methodist Church**

**104 E. Main St., Middleton**

To learn more, visit [www.itd.idaho.gov](http://www.itd.idaho.gov). Click on Get Involved, click on Southwest Idaho and choose Idaho (S.H.) 44 Corridor Preservation Study.

To be sure we can accommodate all who are interested, please call (208) 377-9688 by Aug. 20 if you plan to attend.
